DDoS DATASET - MEMORANDUM OF UNDERSTANDING**

THIS AGREEMENT (“Agreement”) is effective as of the date of the signature noted below. The agreement describes acceptable use of FRGP DDoS dataset (“Dataset”) for the sole purpose of conducting Sigcomm 2021 ISP-DDoS hackathon. The Dataset is provided individually to the researchers listed below in Section II (hereinafter referred to as the “Researchers”).

WHEREAS, Dataset contains anonymized and proprietary network traffic headers and DDoS detection labels, collected at the FRGP (hereinafter collectively, the “Confidential Information”).

Section I - Researchers’ obligations

1. Researchers will not attempt to deanonymize any data from the Dataset
2. Researchers will not share access to the Dataset with anyone else, other than people listed in Section II
3. Researchers will access the Dataset for the sole purpose of participating in the Sigcomm 2021 ISP-DDoS hackathon
4. Researchers will download the Dataset from the personalized link they receive in email, after signing this document
5. Researchers will keep the Dataset on a secure machine or machines
6. Researchers will ensure that all copies of the Dataset are erased upon the end of Sigcomm 2021 ISP-DDoS hackathon

Section II

Please list here names, affiliations and e-mail addresses of all researchers that will access the data from your team:
